

ONLY SUBMIT A COMPLETE CONSENT APPLICATION PACKAGE

Submitting documentation related to the Consent application separately from the Consent application form is not acceptable.

The information might not be received in time to allow copying and distribution of a complete Consent application to the Members for their review.

Incomplete Consent application packages will not be processed and will be returned to applicant(s)/agent with request for the missing documentation.

The *How To Information* distributed with the Consent Application Form has contact information for the respective agencies involved.
